As their Social Media Intern you will be responsible for managing our social media accounts and developing new creative strategies. PixGift is making the world better one pixel at a time! If you are passionate about building community and making the world a better place, join our team. We help organizations and people to make fundraising, and friend-raising easy, engaging and effective by turning images and selfies into thousands of dollars for a cause, and bring back humanity to online giving. If Interested please apply [here](#).

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
