WANTED: December 2018 graduates for our Fred Young Hearst Producing Fellowship. It is a **10 week fully paid fellowship which leads to a full-time job at one of our stations**. The fellows we pick in December are placed in January and then 10 weeks later placed in a job at one of our stations. The application deadline is November 16th and notification will take place by December 7th. Our fellowship has been in existence for 4 years and has had tremendous success giving graduates additional experience before jumping into the deep end of the pool. Qualified candidates must send a letter expressing interest in the Fellowship and promoting his/her candidacy, an essay about the role of a producer in contemporary television news (one page, single spaced maximum), a resume and a transcript. Two recommendations are also required with this application. Finalists will be interviewed by phone/in person. All application materials should be sent via email to ekropp@hearst.com and to the attention of: Lori Waldon, Regional Director of News, Hearst Television.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
