

HOT INTERNSHIPS

April 25, 2019

Red Fuse Communications (New York, NY)– Red Fuse Communications is looking for a summer design intern to help with major accounts such as Colgate and Palmolive brands. Interns will work alongside the creative team to concept and execute various projects, sit on brainstorm meetings, and assist the art directors on formatting decks. If interested, learn more [here](#).

Weber Shandwick (New York, NY) – Weber Shandwick is looking for a media analytics intern to assist in their three-person team conducting research. The intern will be involved in research on reputational issues and corporate communications and learn about corporate and CEO reputation as well as communications trends. Daily tasks will include providing general support on compiling research reports (decks, white papers) and drafting short summaries of findings. Learn more [here](#).

Allison + Partners (New York, NY)(PAID) – Allison +Partners is looking for a corporate communications intern. Interns are mentored by the entire Allison+Partners team, including senior leadership, and will be doing important client work for an exciting roster of clients. Interns will work hand in hand with their Corporate Practice to learn the B2B business, serve clients, and develop PR skills. If interested, learn more [here](#).

Kivvit (Washington, D.C.) –Kivvit is looking for a graphic design intern. The Graphic Design Intern will have the ability to work with and learn from Kivvit's lead designers on a number of design-related projects. These projects typically include creating visual assets for infographics, illustrations, logo concepts, digital ad campaigns, social media graphics, presentation materials, fact sheets, and other various print and web based collateral materials. If interested, apply [here](#).

Entercom (Washington, D.C.)– Entercom is looking for a radio broadcasting intern. Students will gain practical experience in on-air creation and contesting, social media, public relations, sales, and major event production. Under production and programming, students will gain experience in basic commercial production/editing, copywriting, voice work, video content, market research, public relations, and in-studio participation. If interested, learn more [here](#).

Capitol Broadcasting Company (Raleigh, NC) – CBC is looking for a documentary unit intern. The intern will support the production of documentaries and related content. Duties will include scouting locations, assisting the documentary crew in the field on shoots, editing bonus content including videos and podcasts, assisting with research on documentary topics, using social media to find potential documentary content and to promote documentary premieres and archiving finished documentaries and footage. If interested, learn more [here](#).

Women Empower X (Raleigh, NC) – Women Empower X is looking for a video and photography intern. Interns will develop videos for social media, edit inspirational videos with founder, assist with

video and photography at events, document WEX speakers and milestones, editing video and images. If interested learn more [here](#).

Society 19 (Boston, MA) – Society 19 is looking for an editorial intern. Interns will be editing a range of lifestyle and/or fashion & beauty related articles written by writers in the US, Canada, UK and Australia. Additionally, updating previously published articles for search engine optimization and/or to stay up to date with current trends. If interested, apply [here](#).

Breaktime Media (Boston, MA) – Breaktime Media is looking for an editorial intern. An internship at Breaktime Media means being an integral part of one of their many teams. Through both observation and hands-on experience, the Breaktime Media internship program is built to provide students with a real-life learning environment where they can be part of the process in a collaborate start-up like environment. If interested, learn more [here](#).

Purple PR (Los Angeles, CA) – Purple PR is looking for PR interns to help in their beauty, lifestyle and fashion departments. Interns will get an insight into the running of a thriving boutique PR agency and will gain hands on experience in luxury PR & marketing. Interns will coordinate press kits, update contact lists and media databases. Interns will also assist with special events and pre and post event management. If interested, learn more [here](#).

MaDriver Los Angeles, CA) – MaDriver is looking for development and production interns to work on their movie set this summer. Interns will read scripts and other writing coverage. Interns will learn the ropes of working in feature film/television development, production, financing, and sales, getting an in-depth and hands-on experience. If interested, learn more [here](#).

Center for Study of Religion (Elon, NC) – The Center for the Study of Religion, Culture, and Society is hiring a Student Communications Intern to handle a range of specialized tasks. Job responsibilities will include: graphic design, website maintenance, managing the center's social media, photography, writing press releases and other publicity pieces, and other similar tasks. Refer to EJN for more information.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
