

HOT INTERNSHIPS

October 11, 2019

Virginia Media (PAID) (Multiple Virginia Locations) – Virginia Media is looking for summer interns to join its reporting, photography, videography, data journalism and audience teams. Interns can work throughout the company, from *The Pilot* in Norfolk to the *Daily Press* in Newport News to the *Virginia Gazette* in Williamsburg, or other publications from the Outer Banks to Richmond. The application deadline is **November 15th**. To learn more and apply, click [here](#).

European Parliament (PAID) (Washington D.C.) – The European Parliament Liaison Office is hiring recent graduates for its full-time internship program in Washington D.C. The spring program runs from January 16th - April 15th, with an option to extend in Brussels April 16th - June 15th. These interns have the opportunity to participate in events and meetings with major interlocutors on Capitol Hill, executive agencies, think-tanks and NGOs. Intern responsibilities include assisting in the preparation and management of visits to the US by Members of the European Parliament and senior staffers, supporting internal and external communications outreach, helping to maintain and develop its database of contacts, and more. The deadline to submit an application is **October 21st**. To learn more, click [here](#).

City of Burlington (PAID) (Burlington, NC) – The city of Burlington is hiring a part-time Video Production/Social Media Specialist intern for the spring semester. Intern responsibilities include assisting the Community Engagement Manager and Public Information Specialist with various projects focusing on video production, graphic design, social media content development and scheduling. This intern will coordinate photo and video shoots, film on location and edit footage for videos to be aired on social media, web and government access television. Find out more [here](#).

American Advertising Federation (PAID) (Multiple Locations) – The American Advertising Federation (AEF) is looking for rising seniors or spring graduates to take part in the Vance and Betty Stickell Internship Program this summer. Each year approximately 20 outstanding students are selected to participate in 10-week internship programs at U.S. media organizations, advertising agencies, and client and supplier companies. The Stickell Interns receive a salary from their host company as well as a \$1,500 scholarship or assistance with housing. To find out more, look [here](#).

RED PR (New York, NY) – RED PR is hiring interns for its PRISM (PR Summer Internships in Manhattan) program. The objective of this program is to provide interns with a broad range of learning experiences and the camaraderie of networking with a group of peers. The program includes weekly Lunch & Learns by journalists and PR industry executives to maximize exposure to different aspects of the communications industry. The Recording Academy (Los Angeles, CA) – The Recording Academy is looking for spring interns at the Grammy Museum. Interns will assist in the production of public programs including but not limited to green room set up, artist signings, generating social media content, managing the guest list and more. This intern will research musicians/ bands that are in town for potential programs, manage RSVP lists and confirmations, coordinate event portfolios, timelines and update internal artist databases. Apply by **November 25th**. To learn more, click [here](#).

Ventures (Chapel Hill, NC) – Ventures is looking to hire a Graphic Design intern for the spring. This intern will collaborate with clients to determine the message the design should portray, create images that identify a product or convey a message, develop graphics for product illustrations, logos, and websites, and select colors, images, text style and layout. With careful attention to brand and graphic standards you will drive visual strategy and build strong creative assets reaching customers across multiple segments and business verticals. To apply, click [here](#).

Business Insider (New York, NY) – Business Insider is looking for a Marketing Analytics Intern for this summer. This intern will measure the effectiveness of paid campaigns, visualize data, recommend actions from data, and build scaled systems to optimize creatives, target audiences and improve campaigns. This is a great opportunity to build valuable skills in a rapidly growing field, at an exciting, fast-paced company, while supporting Business Insider’s journalistic mission. To learn more and apply, click [here](#).

Highwire Public Relations (Boston, MA) – Highwire Public Relations is seeking a Public Relations intern to join its team this summer. Responsibilities include compiling media coverage into client facing clip reports, researching reporters, blogs and social media sites, drafting pitches and press materials and conducting customer interviews. With dedicated managers and mentors supporting your growth and an immediate contributing role on real client teams, Highwire interns get the coaching and experience that builds confidence and hones PR skills. This opportunity is for college graduates who are passionate about pursuing a career in PR. To learn more and apply, look [here](#).

Special Olympics North Carolina (Morrisville, NC) – The Special Olympics Sport Intern position offers part-time or full-time internship positions. Responsibilities include, but are not limited to, updating/creating documents supporting the sport program for the upcoming year, developing content for website, interviewing athletes for spotlight pieces on the website, and developing the in-house volunteer program. The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
