4. Satisfaction of Completers
(Component 4.3)

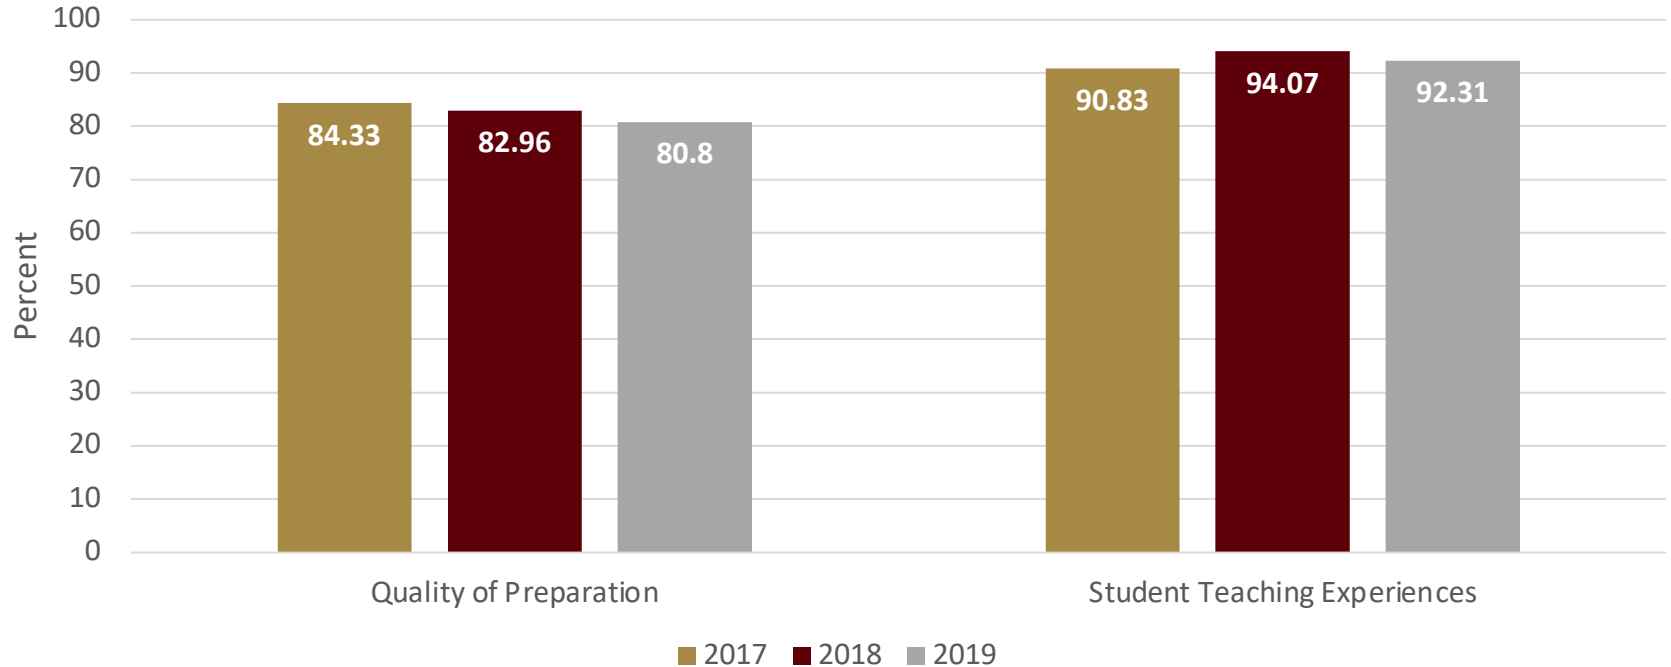

Value of Teacher Preparation Program Components

Value of Teacher Preparation Program Components

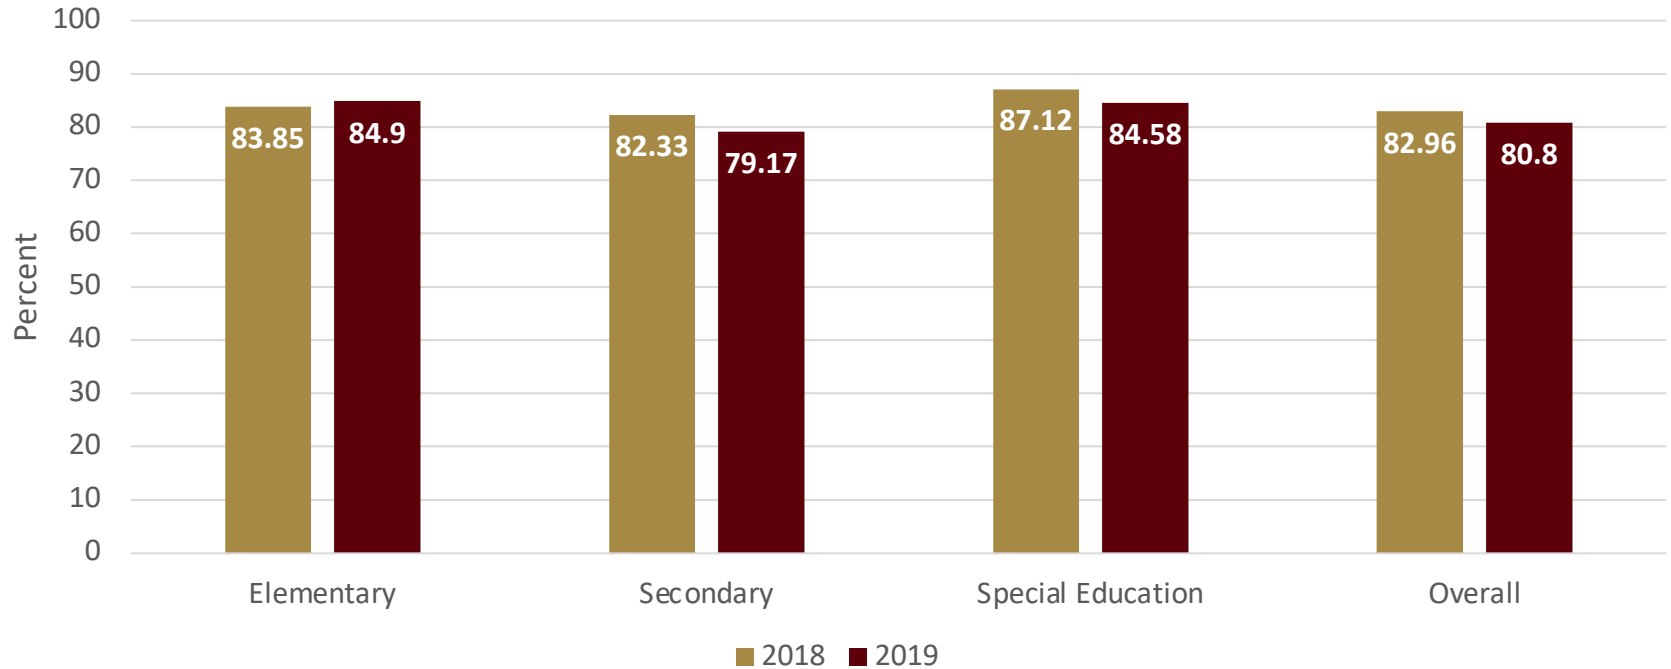

Completer Satisfaction

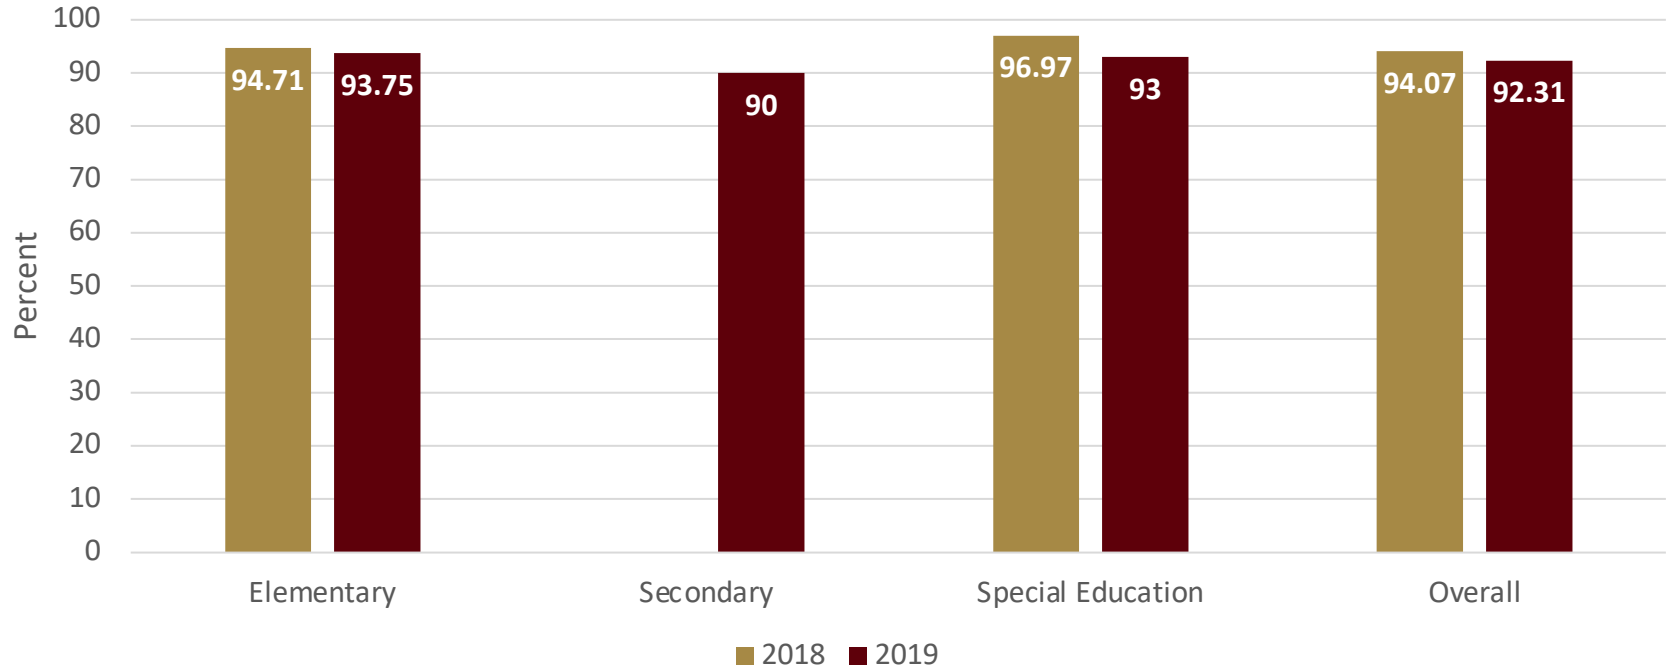

Evidence: [North Carolina Department of Public Instruction](#), *Elon University Undergraduate Report Card*, Graduate Satisfaction Survey. Represents the percentage of completers who responded 'well' or 'very well' to questions related to the quality of their preparation to teach and 'agree' or 'strongly agree' on questions pertaining to the student teaching experiences provided by the program. Due to Covid-19, data for this indicator was not collected for 2019-20.

Completer Satisfaction by Program: Quality of Preparation

Evidence: [North Carolina Department of Public Instruction](#), *Elon University Undergraduate Report Card*, Graduate Satisfaction Survey. Represents the percentage of completers who responded 'well' or 'very well' to questions related to the quality of their preparation to teach. NOTE: Middle grades responses are suppressed because the number of respondents is <5 and thus too small to be shared. Due to Covid-19, data for this indicator was not collected for 2019-20.

Completer Satisfaction by Program: Student Teaching Experiences

Evidence: [North Carolina Department of Public Instruction](#), *Elon University Undergraduate Report Card*, Graduate Satisfaction Survey. Represents the percentage of completers who responded 'agree' or 'strongly agree' to questions pertaining to student teaching experiences provided by the program. NOTE: Middle grades and secondary responses are suppressed because the number of respondents is <5 and thus too small to be shared. Due to Covid-19, data for this indicator was not collected for 2019-20.
