

## **DEPARTMENT AND COMMITTEE ANNUAL REPORTS**

### **Department Annual Reports**

- Evaluation by Department Chair or Program Director (3 pages)
- Evaluation by Department Members (1 page)

### **Committee Annual Reports**

- Committee Annual Report and Evaluation (2 pages)
- Evaluation by Committee Members (1 page)

**Evaluation by Department Chair or Program Director**

Academic Year 20\_\_ - 20\_\_

Due June 1

- Section A (department statistics) will be completed by the office of institutional research and sent to the department chair or program director for his/her report.
- Section B is to be completed by department chair or program director and forwarded to the dean.
- Supporting documents and/or other information, when appropriate, should be attached.

Department/Unit \_\_\_\_\_ Chair/Director \_\_\_\_\_

A. Department/Program Statistics (to be completed by the office of institutional research)

Students:	Majors	Minors	
	_____	_____	Total (Spring Semester)
	_____	_____	Number graduating in May
	_____	_____	Number graduating in August
	_____	_____	Number attending Graduate School in coming year

Courses:	Fall	Winter	Spring	
# sections in discipline	_____	_____	_____	(count 2 s.h. courses as 1/2 section; do not include internships or independent studies)
GST 110 (# sections)	_____	_____	_____	(# sections taught by departmental faculty)
Other GST (# sections)	_____	_____	_____	(# sections taught by departmental faculty)
Internship s.h.	_____	_____	_____	(total number of student s.h. generated)
# ELR sections	_____	_____	_____	(# sections taught approved for ELR credit)
Writing intensive	_____	_____	_____	(# non-GST sections taught as writing intensive)

B. Department/Program Planning and Assessment (to be completed by the department chair or program director)

1. Department/Program Mission Statement

This section contains the department's or program's mission statement as it appears in the department's/program's most recent 5-year plan.

2. Department/Program 5-Year Goals

This section contains the department's or program's 5-year goals as identified in the department's/program's most recent 5-year plan.

3. Department Chair's/Program Director's Overview of the Department/Program's Progress

This section is a narrative that allows the department chair or program director to give a global review of the year and highlight significant accomplishments and/or constraints within the department or program.

4. Student Outcomes for the Current Year

This section provides an opportunity for the department/program to examine its progress in measuring student learning outcomes and evaluate the scope and depth of its methods for measuring student progress. It should contain:

- a. Results of current year's senior assessment
- b. Results of other student outcome measures used by the department/program
- c. A statement of objectives for department/program revision based on the student outcomes measurements
- d. A plan for future student assessment/outcomes measurement

5. Department/Program Annual Objectives/Strategies for the Current Year

This section should identify action steps taken during the current academic year to implement department/program objectives and strategies in light of the unit's overall 5-year plan.

- a. Statement of objectives/strategies
- b. Action steps taken to implement objectives (description of steps taken). May include steps in the areas of curriculum, co-curricular programs and personnel development as well as other areas of concern
- c. Description of how action steps were assessed (outcomes of action steps). Should indicate an evaluation of outcome or effectiveness for the action steps
- d. Evaluation of success in light of department/program goals in the 5-year plan

(continued on next page)

6. Projected Plans for the Next Academic Year

This section should contain:

- a. Objectives/strategies for the upcoming academic year (plans may change over the summer)
- b. A statement about how the outcomes and assessment results from the prior academic year (both programmatic and student outcomes) informed provisional plans for the upcoming academic year
- c. Budget implications of plans for the upcoming academic year. (Include personnel, equipment, capital and supplies requirements. Indicate when these requirements can be covered through current department/program resources.)

(8/05)
