Description of faculty member's current research/creative interests:

Multimedia-authoring in elementary science learning; middle school summer camp and science learning

Currently looking for a student to apply and work in these programs:

- Any program/opportunity
- Summer Undergraduate Research Experience (SURE)
- Spring Undergraduate Research Forum (SURF)
- Endowed Grant
- Lumen Prize

I can mentor a student enrolled in 498/499 hours during these semesters:

- Any start time
- Winter 2020
- Spring 2020
- Summer Session I 2020

I have an on-going project that students can join, and a few new ideas that I'd like to work on

Description of faculty member's current research/creative needs:

I am interested in connecting my interest in student/child generated media with the recent pandemic. I'd like to do a survey of K-8 students' facility with media creation as a means of expository communication.

Students interested in working with me should...
