

Dr. Yanica F. Faustin

Department: Public Health Studies

Email: yfaustin@elon.edu

Office: PSY/HSS 131G

Description of faculty member's current research/creative interests:

My research focuses on the relationship between racism and health as well as equitable approaches to improving health disparities. My research interests include health equity, race and racism, immigrant health, maternal and child health, and mixed methods.

Description of faculty member's current research/creative needs:

Literature reviews, writing manuscripts, framing and stage-building for research projects, potential data management and analysis opportunities, as well as other general research tasks.

Currently looking for a student to apply and work in these programs:

- Any program/opportunity
- Summer Undergraduate Research Experience (SURE)
- Spring Undergraduate Research Forum (SURF)
- Endowed Grant
- Lumen Prize

I can mentor a student enrolled in 498/499 hours during these semesters:

- Any start time
- Summer Session I 2020
- Summer Session II 2020
- Fall 2020
- Winter 2021
- Spring 2021

The ideal student would have the following qualifications:

Eager and willing to learn, wonderful communication skills, receptive to feedback, similar research interests, works well with others, and has preferably taken research methods.

Students interested in working with me should...
