

ELON UNIVERSITY

Student Achievement and Success 2016

To fulfill its mission, Elon University monitors student achievement and success in multiple ways during the time students are enrolled and once they have graduated. Examples of Elon’s goals for student achievement and the success of students in achieving those goals are provided below. These include first- to second-year retention, persistence to degree (graduation rate), participation in selected high impact practices, outcomes for licensing examinations, and students’ success in securing jobs or continuing their education after graduation. To benchmark student success in achieving the goals, Elon University uses information from the sources identified below.

Retention from first- to second-year

Goal: Elon’s first- to second-year retention will exceed the national average retention for selective four-year private colleges and universities as reported by [ACT](#).

First-Second Year Retention

Elon: 2015-16 entering first-year students
ACT: 2016 National Collegiate Retention and Persistence to Degree Rates

Historical information can be found in the [Elon University Fact Book](#).

Persistence to degree (graduation rate)

Goal: Elon’s four, five, and six year graduation rates will exceed the national average for selective four-year private colleges and universities as reported by [ACT](#).

4-Year Graduation Rate

Elon: 2010-11 entering first-year students
ACT: 2016 National Collegiate Retention and Persistence to Degree Rates

5-Year Graduation Rate

6-Year Graduation Rate

Historical information can be found in the [Elon University Fact Book](#).

High Impact Educational Experiences

Consistent with the Elon University Mission Statement to provide a dynamic and challenging undergraduate curriculum, integrate learning across disciplines, put knowledge into practice, prepare students to be global citizens, and to foster an ethic of service, Elon University strives to provide all students with access to high impact practices as articulated by Association for American Colleges and Universities (AAC&U). [Click here](#) for more information about high impact practices and the educational benefits for students engaging in these experiences.

Goal: Elon seniors will have engaged in the following high impact practices at rates higher than national averages as indexed by responses to the [National Survey of Student Engagement \(NSSE 2016\)](#).

Study Abroad*

Internships or field experience*

Service Learning*

Research with Faculty (Undergraduate Research)*

Learning Communities

Culminating Senior Experience

*Indicates that the high impact practice is one of the Elon Experiences. [Click here](#) for additional information regarding the Elon Experiences and for internal data on student participation in these high impact experiences.

Other High Impact Practices (Comparative data is not available.)

Writing

Elon University has embarked on an ambitious plan to make writing a signature experience of an Elon education. The [Writing Excellence Initiative](#) was developed as the institution's quality enhancement plan for Elon's 2013 SACS-COC reaffirmation.

Additional Recognition for High Impact Practices

Elon University has been recognized by [U.S. News & World Report](#) for **all 8** high-impact educational programs in "Academic Programs to Look For." Based on a survey of higher education leaders across the country, Elon is noted for excellence in **study abroad, internships, service learning, undergraduate research, learning communities, first-year experiences, senior capstones, and writing in the disciplines.**

The Institute of International Education's Open Doors report ranks Elon University **#1** for masters-level universities for the total number of students who **studied overseas**. Elon has been the top ranked masters-level institution for several years.

Elon University has been named to the Presidential Honor Role for **Service** by the Federal Corporation for National & Community Service every year since 2006.

Post-Graduate Employment and Graduate/Professional Education (2016 Graduates)

Goal: Within one year of graduation, Elon graduates will have secured employment or admission to graduate or professional school at rates that meet or exceed the averages reported by the [National Association of Colleges and Employers](#) First Destination report.

Employment

Continuing their Education

Graduates may be both employed and continuing their education. When graduates are counted only once, **95%** of students are employed, have been accepted to graduate or professional school, are completing a post-graduate internship/fellowship, or are working for a service organization (e.g., Peace Corps, Teach for America). The survey response rate was **91%**.

More detailed and historical information is provided in the [First Destination Reports](#) produced by Elon University's Student Professional Development Center.

Additional indicators of post-graduate success

Elon University ranked **#6** on the annual list of U.S. master's-level institutions whose graduates received Fulbright awards for 2015-2016.

93% of 2016 graduates who are employed report that the position is related to their career goal.

Licensing Examinations

One undergraduate program and three graduate programs at Elon culminate in a licensing examination. Recent student success rates are described below.

School of Education

Students earning AB or BS degrees in education must complete licensure examination to teach in North Carolina. The success rate for 2014-2016 Elon undergraduates taking a licensure exam was **98.7%**.

Source: Institution of Higher Education Bachelor's Performance Report

School of Law

The 3-year average bar passage rate for 2013, 2014, and 2015 was **67%** within jurisdiction (NC).

Source: 2016 Standard 509 Information Report

School of Health Sciences

Department of Physician Assistant Studies:

The 3-year average pass rate on the Physician Assistant National Certifying Exam (PANCE) is **97%** and the percent of graduates finding jobs within 6 months is **100%**.

Department of Physical Therapy Education:

The 2016 average pass rate on the National Physical Therapy Exam is **98%** and the percent of graduates finding jobs within 6 months is also **98%**.
