

Benefits Open Enrollment and Virtual Benefits Fair

Benefits Open Enrollment

The benefits open enrollment period this year is from Oct. 19 through Oct. 30 and benefit elections take effect Jan. 1, 2021. This is your opportunity to change current benefit elections, add new benefits, and/or (re)enroll in the flexible spending accounts.

Virtual Benefits Fair

Have questions about your benefits? One of the best ways to get answers is to attend our **Virtual Benefits Fair on Tuesday, October 20th from 10 a.m. to 4 p.m.** You can learn more about your benefits and meet virtually with representatives from Human Resources and our benefit providers about your benefit election options for next year.

To sign up for the Virtual Benefits Fair, visit www.employeewellnesshub.com/elon/ and click "How to Register". Fill in the requested information and an account will be created for you. Then login using your email and the password you created.

There will be random drawings for door prizes throughout the fair; however, you must register for the event in order for your name to be entered into the drawing! Please plan to attend.

See you **virtually** at the Fair!
