

The Truitt Center for Religious and Spiritual Life will be offering multiple faith-based programs throughout New Student Orientation. Students wishing to attend these programs and services are welcome to do so. If they conflict with the orientation schedule, we ask that the student communicate with their Orientation Leader who will let them know how they can reconnect with their group after the service.

- Drop by the Sklut Hillel Center: Friday, August 20 beginning at 10:00am for water, snack, a bathroom, and information about Jewish Life
