Ready & Resilient:
COMMITTING TO KEEP ELON HEALTHY
As a prerequisite for living and learning at Elon this fall, all students, faculty and staff will be asked to sign a commitment to taking care of themselves, taking care of each other and taking care of the Elon community. This shared commitment aligns with the principles in the Elon Honor Code — honesty, integrity, responsibility, respect — and is a required expectation of all members of our community this fall. Be on the lookout in the coming weeks for emails with information about how to sign the Healthy Elon Commitment and other requirements you will have to complete before heading to campus.

Required COVID-19 Testing
To participate in fall semester at Elon, all students, faculty and staff must complete COVID-19 testing before arriving on campus. Instructions on ordering and submitting your COVID-19 test will be shared via email by July 22. We do ask students and families to limit exposure in the two weeks before coming to campus, to ensure a strong and healthy opening to the school year.

New Policy on Face Coverings
Everyone on campus is required to wear a face covering over the nose and mouth when indoors. Face coverings are also required outdoors when six-foot physical distancing cannot be maintained, so make sure to bring numerous washable face coverings with you. You can read the face covering policy, as well as exceptions and accountability, at elon.edu/rr.

Residence Halls
Residence Life has created a common set of social norms for living on campus this fall. We expect students living on campus to commit to high standards of personal behavior and hygiene to protect themselves and the other members of their living community.

Dear Future Elon Student,
You are invited to join us for the first day of the 2020-2021 academic year! Welcome to the Elon family! Your parents and I — as well as the entire Elon community — are excited to greet you and welcome you to Elon. This email is an overview of the process. Once you arrive, we will share directions and information for moving in safely to your assigned Residential Neighborhood.

As you prepare for the fall, you may have questions. Our Ready & Resilient Information Line is available Monday through Friday from 9 a.m. to 5 p.m. to answer questions about the process. You can call 336-278-2020 or email Ready2020@elon.edu.

Warmest regards,
Danny Hodge
