

Professional Skills and Experiences Clari-T Chart

The National Association of Colleges and Employers (NACE) [surveys](#) hundreds of employers each year to discover the skills they seek most in college graduates – these skills are listed below under “Skills Employers Want.” On the opposite side, under “Your Skills & Experiences” list the ways (experiences such as past jobs and internships, volunteerism, etc.) where you have gained these skills.

SKILLS EMPLOYERS WANT

YOUR SKILLS & EXPERIENCES

Leadership

Intercultural Intelligence

Ability to work in a team

Communication
