"It has been a privilege to lead EY's recruiting efforts at Elon these past two years. I continue to be impressed with the caliber of the students and their overall preparedness to join EY and immediately make a contribution. In this truly global world that we live in today, it is an added benefit how globally astute and aware the Elon students are."

Michael Destefano
EY
Through interning with Goldman Sachs, I realized how much I enjoyed the people, company culture and type of work I was doing (credit risk). Goldman has a culture of success and excellence and is full of intelligent people who enjoy a challenge.
